**B.Sc Nursing
(Basic)**

RECOGNITION FOR EXCELLENCE IN EDUCATION AND HEALTHCARE

Dr. A. C. Shanmugam Honoured with prestigious Doctorate by Mysore University

Renowned educationist and healthcare provider, **Dr. A. C. Shanmugam**, was conferred with an honorary doctorate by Mysore University in recognition of his exceptional contributions to education and medical services. The prestigious award was presented during the 105th Graduation ceremony at the university on 18th January, 2025.

A proud law graduate of Bangalore University, **Dr. Shanmugam** chose the state of Karnataka and its people, making it his "Karma Bhoomi." His journey of service began in 1992 with the establishment of the Rajarajeswari Dental College and Hospital, followed by the founding of Rajarajeswari Medical College and Hospital. His vision was to bring affordable medical services to the poor and underserved communities.

Royal College of Physicians and Surgeons of Glasgow -

Fellowship was honoured to our beloved Chairman from the Royal College UK

Dr. A. C. Shanmugam, Founder Chancellor of Dr. M.G.R Educational and Research University and Chairman of Rajarajeswari Group of Institutions, has been conferred with an Honorary Fellowship by the Royal College of Physicians and Surgeons of Glasgow, UK, a rare distinction meant only for distinguished medical professionals and scientists. This is a true validation of services rendered by **Dr. A.C. Shanmugam** in the fields of education and healthcare services.

Kursk State Medical University Russia

Our Hon'ble Founder Chancellor and Chairman of Rajarajeswari Group of Institutions, **Dr. A.C. Shanmugam** and Hon'ble Managing Trustee, **Smt. S. Lalitha Lakshmi**, were invited by the Governor of Kursk State, Russia, as a chief guest for 88th Annual Day ceremony of Kursk State Medical University and to deliver a special address in the State Assembly. During this visit, **Dr. Shanmugam** was also awarded with Honorary Fellowship in recognition of his immeasurable contribution to medical education and free medical services to those in need.

OVERVIEW B.Sc Nursing (Basic)

At Moogambigai College of Nursing the undergraduate program is designed to prepare graduates to take on the role of professional, competent nurses and mid wives. Graduates will be equipped to provide promotive, preventive, curative and rehabilitative services to all who needs nursing care.

The program prepares nurses to make independent decisions in various nursing situations, protect the rights of patients and support both individual and groups in pursuit of health, Graduates will be capable of functioning in Hospital and community health nursing settings, conducting research in nursing practice and taking as roles as teachers, supervisors and managers in clinical or public health settings.

“ UNLOCK A WORLD OF POSSIBILITIES ”

RAJARAJESWARI SUPER AND MULTI SPECIALITY HOSPITAL

The 500 bedded hospital that is super speciality tertiary care centre that draws patients from all strata of society. It has 10 dialysis units, 30 ICU Beds, Modular OTs. We have cutting edge infrastructure, skilled and experience man power resources.

Taking advantage of medical advances to provide new hope.

Where there is hope, there is life. For life draws sustenance from the hope of a better tomorrow. But, when darkness seems to be all around, it often takes an extraordinary spirit to rekindle the light of hope. It takes vision supported by action and the will to make society and life better with each passing day. The RajaRajeswari super and multispeciality Hospital, Bengaluru is an example of how a professional medical establishment can provide superior healthcare to the masses. The hospital is actively engaged in research and is an institutional member of International Medical Sciences Academy (IMSA). More academic and professional tie-ups are planned for the future.

This prestigious 500-bedded hospital is equipped with state-of-the-art facilities and offers a wide array of services across various specialties, including General Medicine, General Surgery, Emergency & Casualty, Dermatology, ENT, OBG, Ophthalmology, Orthopaedics, Paediatrics, Psychiatry, Radio Diagnosis, TB, Chest Disease, Cardiology, Neurology, Plastic Surgery, specialized Operation Theatres & ICU's and more. Rajarajeswari Super and Multi Specialty Hospital provides a comprehensive hands-on learning environment for our students, enabling them to gain valuable clinical experience and develop essential nursing skills. The hospital offers a complete spectrum of healthcare services, ensuring that students have exposure to a diverse range of medical scenarios. Key facilities include 24-hour emergency services, a fully equipped ICU, ambulance services, a blood bank, casualty, and an eye bank. Additionally, the hospital provides health check-ups, a hospital reception for patient coordination, and a well-stocked pharmacy for practical learning in medication management.

This clinical exposure at RajaRajeswari Super & Multi-Speciality Hospital allows students to apply their theoretical knowledge in real world settings, strengthening their clinical decision making abilities, communication skills, and patient care practices.
